My friends couldn't believe I was going to do adult-type photos. I explained it would just be me and a toy and not with a guy. While that was some relief to some of them, most still thought it was too risqué for a woman my age.

Mia

I don't know what they were thinking. What does 'my age' have to do with anything. I feel young and vibrant and I still have a high sex drive. I'm just not ready to have me photographed while doing a man. Now a toy, that's a different story.

Well, now that it's done, I have to admit I was really nervous. I think it shows in my earlier photos, but by the time we were finishing, I was into it and got really comfortable. I actually enjoyed the vibe in my pussy, but most of all, I thought it was a little weird as to how much I liked people watching me, and the director telling me what she wanted of me.

*I don't want to swim in your toilet,
so please don't pee in my pool.*

there's more than one way to get her wet everybody in the pool

OUR SWIM CLUB WAS ONE OF THE BEST IN THE SOUTH. ALL THANKS TO RUTH. THANKS RUTH!

Ruth was the oldest member of our swim team. At 51, she could swim as fast as the twenty year-olds. Our club was called the Mighty Marlins and we competed all around the South, from Kentucky to Florida; the Carolinas to Texas. Since we are pretty good, we have a great group of sponsors that pay for all our trips and travel. We only pay for our meals, and that's okay because a lot of the members have crazy eating requirements. Ruth's a statuesque five-eight with short copped hair and a swimmer's body. Tight and tan for her age. A little small on top, but all that adds up to one svelte marlin in the water. Over the years, she has won the second most number of medals, after Ronald. Ruth would turn heads at every meet and everyone would talk about her. There wasn't a single male or female swimmer that didn't envy or respect her, but deep down Ruth was a fun and humble person. Ruth had worked hard over the ten years she's been competitive swimming, deservedly so.

The Might Marlins consisted of eight men and women swimmers and five divers, three women and two men. I'm the coach – and towel boy. A new male swimmer will be joining the team in

Kissimmee. Ronald was around thirty and used to work at the Atlantis Resort in the Bahamas. He's replacing Freddy J. who went on to be the swim team coach at Auburn U. Good luck Freddy J., good luck Auburn.

Ronald was in good shape by working out at the gym, and all the swimming. He had a good tan and would always have his iPad with him. His head was shaved completely bald and his teeth glowed

white against his tan. Jokingly, Ruth told me she thought he was too old for her. Besides she didn't like bald men. She had always been attracted to thin men with long hair who looked like they just stepped off stage from a rock stage.

After a couple weeks practicing together, we all began working again as a team, Ruth helped him focus on his technique and with a few weeks his stroke had improved immensely. They became

fast friends. And as so often happens on the swim club, becoming friends lead to so much more. It started one day when Ronald came to practice. He had obviously come straight from the gym because he was wearing a workout top and shorts. Ruth noticed him as he walked past on his way to the

*He softly thrust his tongue inside her pussy,
which brought immediate moans of
approval from Ruth.*

locker room. Although Ruth saw him almost naked many times already, she still wondered what he was like totally undressed. She quickly put those thoughts aside and tried to act professional, not letting Ronald know that she had been staring at him wondering what it might feel like to have them wrapped around her.

The weeks passed by and the frequency of meets had Ruth and Ronald together continually. But he, like every other member of the team, just couldn't resist Ruth. He figured that their friendship and professional relationship might ascend to the next level with a little prodding. Ronald invited the team over to his house for a summer-ending pool party. He knew this was his opportunity to finally get Ruth and him together without trying to go out on a date. The party started off well. He made sure the bar was well-stocked and free drinks were served all night.

But by midnight, it was only two others and Ruth remaining. Ronald invited everyone inside but the two said they should be going. So that left just the two of them in the living room watching a movie. Ruth complained that she was a little chilly. Ronald invited Ruth to join him in the seat under the blanket he had over his lap. She figured it couldn't really hurt to sit there with him for awhile. She climbed up next to him and they both went back to watching the movie. Under the blanket Ronald slowly slid his hand down Ruth's taut belly and worked his way toward her bikini bottoms. Ruth spread her legs slightly for him before he even got past her belly-button. He slid his hand under her bikini bottoms and brushed his fingertips along her clean-shaven mound. He lightly flicked her clit a couple of times but couldn't resist the temptation to place a finger inside the hole that was radiating so much heat toward his hand. He pushed his middle finger inside her, and she was so wet there was almost no resistance. Ruth began rotating her pelvis around to match Ronald's probing strokes with his finger. Within minutes he had Ruth on the verge of orgasm. Ruth began to remove her bikini and once her bikini was off she embraced Ronald and pulled him onto her in one motion. Soon she had them both naked and in a

firm embrace their lips trying to quench the fires that had been stoking for months.

Ronald slowly kissed his way around Ruth's neck and ears. Then he worked his way down to her chest, spending several minutes on Ruth's firm nipples. He began moving down her tummy and softly kissed around her belly-button. He softly thrust his tongue inside her pussy, which brought immediate moans of approval from Ruth. She reached down to Ronald's clean-shaven head and pulled it in tighter, grinding herself to the rhythms of Ronald's tongue. He then slipped a finger inside her,

and curled the tip of his finger and put immediate pressure on Ruth's g-spot, and Ruth came instantly and violently. She locked her legs around Ronald's head and thrust her pussy against Ronald's tongue. She finally relaxed after one of the most intense orgasms she had ever had.

Ronald was a little surprised that Ruth had come so quickly as Ruth was panting and out of breath. Ronald worked his way back up so that their eyes were at the same level. He used his thighs to push Ruth's legs slightly farther apart and placed his now throbbing member against Ruth's soaking wet slit. Ruth tensed slightly with anticipation. She actually found herself a little concerned and wondered what Ronald would feel like. As Ronald pushed his cock into her, he was very gentle.

In unison, they looked into each other's eyes and said, "Are you ready for a dip?" Both nodding, they jumped out of the chair and headed for the pool.

Ruth was so wet from her orgasm just a few moments earlier that Ronald was actually able to push in all the way with one stroke. Ronald could feel how tight Ruth was. It felt like having his cock caressed by a velvet vice. He took it slow at first so she could get used to the thickness. Ronald hadn't been with a woman this old before but he was pleased to find she still had a firm stomach and tight pussy. All the women of his age he'd been dating recently rarely had these attributes.

Ronald began to quicken his pace a little and suddenly he felt Ruth tense up under him, and was worried he was hurting her as he worked faster. He pulled back a little bit to give her some relief.

At this moment Ruth reached down with her right hand and began furiously rubbing her clit and wrapped both legs around Ronald thrusting him all the way back inside her. She was rocked by a second orgasm in minutes. She rubbed her clit firmly on his pubic bone as wave after wave of pleasure sent pleasure pulses through her body. Ronald's thickness intensified her orgasm and her pussy gripped him amazingly tight. Ruth just had two intense orgasms, unlike all the others in her life, within minutes of each other. Ruth began to wonder what she may have been missing during the last few years of her life.

She gently pushed him over to the side, and to his delight, Ruth immediately straddled him and impaled herself on his rigid cock. She slid all the way down his shaft, and then began rotating her hips so that her clit was grinding at the base of Ronald's pubic bone. After only a few minutes, her body shuddered with a third orgasm. Ruth was in heaven. She had never come three times before. By now Ronald was absolutely rock hard. The sight of seeing this firm and fit fifty year old grinding herself to orgasm on his pole had him in a frenzy. He lifted her off of him and rolled her onto her back. He placed his stiff cock back against her slit and softly pushed back inside her. He began slowly at first but worked his way to full length thrusts after only a few strokes. He had Ruth lifting her legs off the bed with each successive thrust of his swollen shaft. Just then Ruth had her fourth orgasm and reached back down and began furiously rubbing her clit as she almost doubled over into the fetal position due to the intensity with which she was cumming.

This only turned Ronald on all the more. He increased his pace as Ruth relaxed and attempted to wind down from her orgasm, but Ronald wouldn't allow it. He kept quickening his pace by sliding his cock in deeper and harder with each thrust. Ruth could feel another orgasm building inside her, and couldn't believe that this man was capable of doing this to her, or that her body had this potential all along. As Ruth burst into her final orgasm she could feel Ronald's cock swelling even larger inside her. After the

last few electric pulses zipped through her body she knew Ronald was about to release his load. With one last deep thrust he slipped his cock out of Ruth's soaked pussy. Ruth reached up with her left hand and began stroking Ronald's throbbing cock to bring him to orgasm. Not holding back any more, he shoots load after load of hot steaming cum all over her stomach and chest. It seemed to go on, she thought. Then Ronald got up and got a towel to wipe their bodies down. In unison, they looked into each other's eyes and said, "Are you ready for a dip?" Both nodding, they jumped out of the chair and headed for the pool.

“When I got to the set, there were at least ten different dildos and vibrators for my selection. I settled for this beautiful glass dildo because it fit my pussy perfectly. When I inserted it in me, I could see all the male assistants get squirmy and try to hide their growing erections. When I finish with the dildo, I may have to pick out a young assistant and see if he has something to fit into my warm, wet pussy!”

We were amazed and awestruck when we saw this photo set come across our collective desks. The editor did a double take and yes, it's the immortal and immoral Ginger Lynn, and she's about to play with sexy Ally. We couldn't wait to get through the stills, and then the very next day the video arrives!

Ginger & Ally

We couldn't get it in the computer fast enough. Immediately, we had to know more about the shoot.

We're ecstatic to have this sand to share with you one of the true superstars of adult entertainment.

There's hardly anyone who's ever seen adult movies that hasn't heard of Ginger Lynn, or seen any one of her many, many films. Now, in her fifties, she still looks amazing and apparently still loves to fuck.

Growing up a Midwestern girl, Ginger moved to Los Angeles and after answering an ad for a nude photo shoot, slowly got into the adult business. Movies came easily and often to her because of her astoundingly good looks and voracious sexual appetite.

During her heydays in the Eighties, Ginger fucked every male star and earned, rightly so, a myriad of awards from any company that offered them. Her face was splashed across countless VHS videos and the action inside was just as sexy. Some credit her with almost single-handedly fueling the change to that video format.

It was obvious to those watching that she enjoyed sex. She was animated and giving. Her appetite for cock and pussy was matched by few then, and even now. With big Eighties hair and a California beach babe body, she was every American boy's wet dream.

Shortly after her exit from adult film, she expanded her acting chops with several B films and various appearances. In the early Nineties she hooked up with a notorious bad boy who she insists is not as bad as he's been made out to be.

As the calendar rolled over to a new century, she decided to dip her feet back into the adult pool. Making only a handful of films since Y2K, her magic mouth and pussy are again on full display.

We're now gathered around the computer watching the dvd go into its slot. After the credits, Ally walks into the living room where Ginger sits.

Ally sits on the arm of Ginger's chair as she's asked about her budding adult career. Nervous giggles follow as Ginger asks Ally about her sexual limits and turn ons.

Of course, Ginger leads the scenario with probing questions and soft caresses on the newbie. Ally seems rather shy when Ginger asks about her experiences with men, but turns rather shy when Ginger asks about her non-existent girl-girl experience.

Ever so patient and reassuring, Ginger coos and woos the youngster into touching her face and body. Ally learns quickly and shortly is on her knees in front of Ginger exploring tongue kisses.

With long lingering kisses, the two explore each other's mouth's and bodies. Soon pantless, Ally sits back in the big chair as Ginger orchestrates a cunnie lesson on her shaved pussy.

Never having felt another woman's lips on her pussy, Ally succumbs to Ginger's well-practiced techniques. Expert licking and sucking soon has the young doe moaning and giggling.

Ally returns the favor as the two writhe naked on the floor. More moaning and teaching follow and finally sexy scissoring make the two cum. Ally now has been initiated into Sapphic love by one of the sexiest queens of erotica, and you get to see it all!

Impress your woman by complimenting her, cuddling with her, kissing her, comforting her, protecting her, hugging her, wine and dining her, listening to her, respecting her, supporting her and going to the ends of the earth for her.

Impress your man by arriving naked... and with a beer.

often the best fuck is the one you've been getting all along

don't let the party end so soon dining, dancing, fucking

WHEN EVERYONE ELSE IS TUCKED SNUG IN THEIR BEDS, IT'S TIME FOR US NIGHT OWLS TO PLAY

It's 2 am on a Saturday morning and we're finally getting to Cookie's house. We'd been drinking and dancing all night at the Silver Fox Lounge and were all pretty drunk. Cookie was the least wasted and was driving with some caution. She pulled into the driveway of her modest house when suddenly a light came on from a sensor over the garage. Stopping the car in the driveway, Fred got out of the front passenger seat and opened the door for Kameron who was sitting behind him.

Cookie got out the driver's door and opened Ariana's for her. Ariana was leaning on the door when Cookie opened it and fell out onto the driveway asphalt but didn't seem to hurt herself. Cookie bent over to help her up and grunted as she pushed Ariana upright against the car.

Cookie is a sexy woman who always seems to be in control. Firm from her daily workouts, she exudes confidence and strength. She also has great breasts and a thin waist that sits on top of a firm ass. She has green eyes and her lips seem to be always moving thanks to her constant jabbering.

Ariana, on the other hand, is the shy one of the group

until she gets some booze into her. She just doesn't know when to stop and always seems to have needed some sort of help from us before this evening ended. Fortunately, she rarely pukes. Fred has dealt with these kind of women before. He went around to help with Ariana. Cookie looked at him from the opposite side of Ariana and smiled, he really is a gentleman. She always thought that Fred was cute but was afraid that he was like the other guys, get the girl drunk, rub

up against her, fuck for thirty seconds and fall asleep. She hoped she was wrong.

Kameron was Fred's current girlfriend. She got the keys from Cookie and went and opened the door. Fred and Cookie held Ariana up as they climbed the front steps. When they got inside, they leaned Ariana against the wall and Kameron rushed off to the kitchen to get a wet cloth to put on Ariana's forehead.

Ariana was pulled over to the sofa and laid down. Cookie unbuttoned a couple buttons on her blouse so her clothes would not be too binding. Kameron came in with a damp towel and put it on Ariana's forehead. Water dripped down her temples and into her ears. That made Ariana bolt up and try to dry them, missing

Kameron pulled him closer and kissed him full on the mouth and pushed her hot tongue into his mouth and flicked it back and forth....

her ears each time she brushed her hands by. Lending her his arm, Ariana pulled herself up and held on. They followed Cookie up the stairs to the room that Ariana would be recovering in.

Cookie indicated to the first doorway on their left and opened the door for them. Ariana was led to the bed and plopped down on it. Cookie started to undress her and then realized Fred was standing there watching. "Well?!?" she said. "Get over here and help me." Fred pulled off her boots as Cookie worked her upper body. "Sit her up for me." she asked. Fred grabbed under her armpits and Cookie stripped off her blouse and then her bra. She took a moment to rub the bra lines on Ariana's boobs and gave them a quick squeeze as she smirked at Fred. Cookie set her back down as Fred went down to her feet and grabbed the hems of her pants getting them off in one long hard pull. "I'll finish." said Cookie as she pushed Fred away and grabbed Ariana's panties and pulled them off. Fred found a light blanket on a chair, unfolded it and threw it over her. "Let her sleep." pronounced Cookie as they left the bedroom. Pointing to the door next to the bedroom, Cookie says, "You and Kameron can have that bedroom."

She led the way back down the stairs and into the kitchen. Kameron had poured everyone a double shot. Cookie and Fred grabbed their shots and all

three together downed them. They grabbed their sodas for chasers and took a drink. "That's plenty for all of us." said Kameron. "We don't want to get shit-faced like Ariana." They all laughed. Kameron grabbed one of each's hand and pulled them out of the kitchen and into the living room. Cookie turned on the TV and began flipping through channels. She picked a show but when it went to commercial she would move to a movie and after a couple of minutes get bored and go back to channel surfing. After some time of this, Cookie handed the remote to Kameron who had been flirting with Fred.

He said "We've seen everything on the tube." But just then Kameron landed on a porn movie, Fred stopped with his mouth half open. Kameron looked at him and laughed at his expression. Cookie blurted out that she was starting to lose it and better get up the stairs before she couldn't. Kameron turned to Fred when Cookie's footsteps receded up the stairs. Wasting no time, she leaned in and kissed him and he returned the affection along her jaw and when he reached her mouth he kissed her upper lip and then sucked on it gently. After the last kiss, he brushed his tongue along her lips. Kameron pulled him closer and kissed him full on the mouth and pushed her hot tongue into his mouth and flicked it back and forth on the tip of his. When she pulled her tongue back, Fred took in her lower lip and nibbled it, then ran his tongue over the inside of it. Kameron pushed him away, stood up off the sofa and undressed, releasing her full, firm succulent breasts and her hairless, glistening pussy.

Fred stood and grabbed her by the shoulders, lowering her down on the sofa. He kneeled down and pulled one of her legs over his shoulder and dove right in to her slick pussy. He licked up and down her slit and whenever he reached her soaking wet hole he pushed his tongue in. Fred came up to her clit and started to lick it as he slowly slipped his middle and ring finger into her pussy. He then sucked on her clit and curled his fingers up and started to slide them in and out. Fred soon felt a rush of Kameron's juices, he lapped it up as it came out. Kameron whispered "Let's go upstairs and do it right." He held out his hand to pull her up and grabbed her clothes off the floor.

He walks over to her and she slides her hand under his balls, pulling his hips and very stiff cock over to her waiting mouth.

Kameron headed towards the stairs as he looked at her butt in the subdued light. She turned around when she noticed that he wasn't following her, he smiled and walked forward to her. She bounced on her toes which in turn made her lovely breasts bounce. She grabbed Fred's hand and they went up the stairs into their room. They didn't bother turning on the light as there was already a lamp turned on in the corner of the room. Kameron pulled back the covers and threw them off the bed. Fred stood at the end and took off his remaining clothes. She messed with the pillows for a moment and then leaned back on them; and curled her finger a couple times motioning him over to her. He walks over to her and she slides her hand under his balls, pulling his hips and very stiff cock over to her waiting mouth. She licked up and down his long shaft. She'd swirl her tongue around the head and gently nip his shaft with her teeth as she ran them on his shaft. Standing there he reached down and pulled on her pussy lips. Almost automatically, as if he pushed an open button, her legs spread and he slipped his hand between them. She sucked, he fingered. They moaned.

Kameron told him she wants his cock inside her. He positions himself on the bed between her legs and slowly pushes in a couple inches and then pulls out. He did this until he was fully in, then began to slowly pump in and out again. He felt her pussy tighten around his cock with her muscle movements. Kameron closed her eyes and threw her head back moaning softly. Fred leaned down and licked circles around her nipples. With her orgasm finally subsiding, she grabbed his ass and slowly scooted back on the bed while keeping his cock inside her pussy. When they were in a comfortable position, Fred started thrusting harder and harder. He grabbed her breasts and massaged them, tweaking her nipples at the same time. Kameron began to push her hips up to meet Fred's downward thrusting ones. Again he felt her pussy tighten around his cock but he was nowhere near cumming himself, so he kept

pumping into her. He felt her juices running down his leg and soaking the sheets.

Now he felt her slightly relaxed muscles tighten again. Fred looked down at her face and saw her eyes tightly closed and her mouth slightly open. With sweat glistening on her body, her boobs bounced every time he thrust himself into her. He started to pump into her faster as she dug her nails into his butt cheeks and that pushed him over the edge. His cum seemed to burst out with the force of a fireman's hose. When Fred finished, she got down next to his cock. She licked up his cum off the head and down the shaft. Putting her fingers in her cum-soaked pussy then up to her lips, she added that to her oral treat.

A moment later he heard a soft moaning sound that sounded like a climax moan coming from another corner of the room. As his eyes focused in the low room light, he saw a body with a soft glisten of sweat. She stood up and walked over to the bed. She was naked, and she was Ariana. Kameron patted the empty space on the other side of Fred and Ariana climbed in. Still wobbly and obviously horny, Ariana cuddles into Fred's chest and begins to rub his cock. Fred looks at Kameron as she pulls Ariana's head over and they kiss over his chest. "I don't think I'm going to get any sleep." thought Fred as the two ladies' lips met right under his nose.

My neighbor told me I should meet her good friend Ivett. She said we have a lot in common. So I called her and we met up at a nice restaurant. I was expecting a fuddy-duddy of an old lady, but what I got was an energetic, warm, fun and sexy lady.

Ivett & Elind

We dined and we shopped together for months before ever getting intimate. And when we did, it was great. She is the best female lover I've ever had.

Ivett says she loves my youth. She says she wishes she was more adventurous and experimental in her younger years and fucked a woman. I was only her third, but I must say, she taken to pussy licking pretty well. I think we're going to be friends for a long time.
